Get a head start on your future!

Learn together, live together, work together in a complete summer package. Spend 12 weeks of the summer taking three classes, living in the Rendezvous, and working in a paid internship related to your field of study. Plus there are even built in study groups with access to tutors.

SCHOOL OF ENGINEERING
- ENGR 1105 Engineering Graphics
- ENGR 1120 Intro to Engineering
- EE 2240 Intro to Electrical Circuits
- MATH (TBD)
